TITLE 24

GOVERNMENT - STATE

PART 21 - ADDRESS CONFIDENTIALITY PROGRAM

Editor's note: This part 21 was added with relocations in 2011. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated.

24-30-2101. Short title. This part 21 shall be known and may be cited as the "Address Confidentiality Program Act".

Source: L. 2011: Entire part added with relocations, (HB 11-1080), ch. 256, p. 1108, § 2, effective June 2.

Editor's note: This section is similar to former § 24-21-201 as it existed prior to 2011.

24-30-2102. Legislative declaration. (1) The general assembly hereby finds and declares that a person attempting to escape from actual or threatened domestic violence, a sexual offense, or stalking frequently moves to a new address in order to prevent an assailant or potential assailant from finding him or her. This new address, however, is only useful if an assailant or potential assailant does not discover it. Therefore, in order to help victims of domestic violence, a sexual offense, or stalking, it is the intent of the general assembly to establish an address confidentiality program, whereby the confidentiality of a victim's address may be maintained through, among other things, the use of a substitute address for purposes of public records and confidential mail forwarding.

(2) The general assembly further finds and declares that the desired result of the "Address Confidentiality Program Act" for the purpose of post-enactment review is to establish a substitute address for a program participant that is used by state and local government agencies whenever possible; to permit agencies to have access to the participant's actual address when appropriate; to establish a mail forwarding system for program participants; and to ensure that there is adequate funding to pay the program costs for all persons who apply to the program.

(3) The general assembly further declares that private entities, including but not limited to private businesses, can help protect program participants by seeking to prevent the disclosure of unique identifying information that could jeopardize the safety of program participants. The general assembly recognizes that a legitimate need for private entities to request and have access to an individual's actual address often exists and that the opportunity exists for private entities to partner with state and local governmental agencies in the effort to protect the safety of program participants.

(9) Unless the state or local government agency filing exceptions agrees otherwise, the executive director or his or her designee shall make a final determination regarding the exceptions within thirty days after the filing of exceptions pursuant to subsection (8) of this section. If the final determination of the executive director or his or her designee is that the denial of the agency's request for disclosure has been improperly denied, the executive director or his or her designee shall grant the agency's request for disclosure in accordance with this section. The final determination of the executive director or his or her designee shall constitute final agency action.

(10) The record before any judicial review of a final agency action pursuant to subsection (9) of this section shall consist of the state or local government agency's request for disclosure, the executive director's or his or her designee's written response, the agency's exceptions, the hearing transcript, if any, and the executive director's or his or her designee's final determination.

(11) During any period of review, evaluation, or appeal, the agency shall, to the extent possible, accept and use the program participant's substitute address.

(12) Notwithstanding any other provision of this section, the executive director or his or her designee shall establish an expedited process for disclosure to be used by a criminal justice official or agency for situations where disclosure is required pursuant to a criminal justice trial, hearing, proceeding, or investigation involving a program participant. An official or agency receiving information pursuant to this subsection (12) shall certify to the executive director or his or her designee that the official or agency has a system in place to protect the confidentiality of a participant's actual address from the public and from personnel who are not involved in the trial, hearing, proceeding, or investigation.

(13) Nothing in this section shall be construed to prevent the executive director or his or her designee from granting a request for disclosure to a state or local government agency pursuant to this section upon receipt of a program participant's written consent to do so.

24-30-2111. Disclosure of address or unique identifying information in criminal and civil proceedings. A person shall not be compelled to disclose a program participant's actual address or any unique identifying information related to the participant's residence, work, or school during the discovery phase of or during a proceeding before a court of competent jurisdiction or administrative tribunal unless the court or administrative tribunal finds, based upon a preponderance of the evidence, that the disclosure is required in the interests of justice and that the potential harm to the program participant is substantially outweighed by the public interest in the disclosure and that no other alternative would satisfy that necessity. A court or administrative tribunal may seal the portion of any record that contains a program participant's actual address. Nothing in this section prevents a state or local government agency, in its discretion, from using a program participant's actual address in any document or record filed with a court or administrative tribunal if, at the time of filing, the document or record is not a public record.
